My letter of resignation to AVNC Board Member,

Diane Serafino, resigning as an Elected AVNC Business Board Member, Atwater Village November 2nd, 2007.

Appreciate being elected, and honored by those who gave time in voting for me. Though my mission and focus will not be within AVNC directly, I will be serving this community with the same direction.

I would appreciate appointing third running up Business Category, Rajinder Jawa. It is GREATLY needed the person appointed as Business Rep needs to be a actual MERCHANT. Needs, and interest are valuable in supporting your LOCAL BUSINESSES.

Encourage youstart creating a more outreach, inviting, commutative team. Hope YOU attend other TOWN MEETINGS and see what is happening.

Living in Connecticut, education in BOSTON, onto Georgetown, moving with my husband and children San Diego (Solana Beach and Oceanside 10 years) here in Glendale.....you need to part take in other communities, and learn. It will be a HUGE benefit to the residents, and the business here in ATWATER VILLAGE. Believe me, they will thank YOU for it and so would .

Mr. Warner, Mr. Fleenor, Ms. Solis, Mr. Lopez , and Roberta for YOUR warmth, and kindness. You need anything I am here always.

Warmest of Regards,
Diane Serafino
Business Rep, AVNC
