Best Practices:

Opportunities for Improvement:

- Improve community Election Outreach.
- Be more involved in informational meetings.
- Submit important documents in a timely manner.
- Improve communication between NC Board and the City Clerk.

Bylaws Adjustment Suggestions (including sample language):

- Revise bylaws to include the new definition of a stakeholder. Since the NC Board wants all stakeholders to be able to run and vote for all categories; amend the bylaws to allow all eligible stakeholders in AVNC to run and vote for all of the categories based solely on interest.
